

# De-Icing & Anti-Icing Equipment

# ATV / Utility Sprayers

# DIATV25HR

# DIUTILITY30

# DIUTILITY50

## 25 Gallon

- Aluminum frame,
- 12 volt ELECTRIC diaphragm pump
- Manual hose reel w/ 100' 1/2" hose, poly spray gun,
- Single rear boom w/flood nozzle, ht adjustment,
- Pressure gauge, regulator, on/off switch

## 30 Gallon

- Aluminum frame, ss straps, 12 volt Electric diaphragm Pump,
- Hose rack w/ 50' hose, aluminum spray wand w/ nozzle,
- Wire harness w/ on/off switch, single rear boom w/flood nozzle, ht adjustment,
- Pressure gauge, regulator
- Category 1 & 2 receiver for boom plug into

# **DIUTILITY50** 50 Gallon w/ 100 manual hose reel, aluminum spray wand w/ nozzle

# Truck Mounted Sprayers

#DIPCO200A/DBDC

#DILP300A/AACC

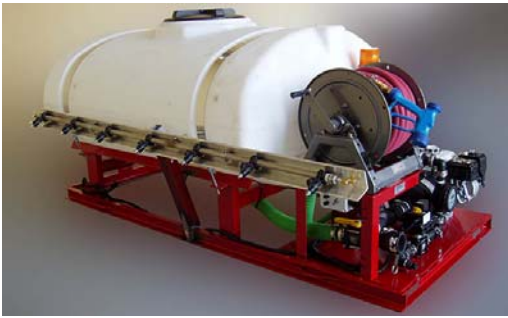

## 200 Gallon Skid Sprayer Features:

- 200 gallon PCO profile rectangular style tank w/8" lid
- All Aluminum heavy duty skid w/fork pockets
- 12 volt self priming positive displacement plastic pump
- Single Lane Boom: 7' aluminum covered Reese plug in boom with PVC pipe , 8' spray pattern with quick disconnect fitting / wire harness w/ weather proof plug in connectors
- 1 gpm solid stream stainless spray nozzles w/quick caps/ diaphragm check bodies
- Cab control for boom with on/ off switch for pump
- Hose rack w/ 50' of 3/4" braided hose ,Aluminum wand
- Digital poly flow meter, stainless steel pressure gauge
- Jet agitation nozzle in tank to mix product
- Complete users manual and Full 1 year warranty

## 300 Gallon Skid Sprayer Features:

- 300 gallon low profile rectangular style tank w/8" lid
- All Aluminum heavy duty skid w/fork pockets
- 12 volt self priming positive displacement plastic pump
- Single Lane Boom: 7' aluminum covered Reese plug in boom with stainless pipe , 8' spray pattern with quick disconnect fitting / wire harness w/ weather proof plug in connectors
- 1 gpm solid stream stainless spray nozzles w/quick caps/ diaphragm check bodies
- Cab control for boom with on/ off switch for boom
- Strobe light & working light
- Hose reel w/ 75' of 3/4" braided hose ,heavy duty gun
- Digital poly flow meter, stainless steel pressure gauge
- Jet agitation nozzle in tank to mix product
- Complete users manual and Full 1 year warranty

## Features & Accessories

Poly Pumps w/Honda powered gas engines

Heavy Duty Spray guns

Optional: Premium aluminum hooded cover w/turret nozzle bodies/stainless steel & PVC boom pipe/single & three lane w/halogen lights on boom ends (3- lane only) Boomless nozzle on end of boom

Strobe / working light  
Stainless pressure gauge

Poly Manifold Style Fittings

Digital Flow Meters

Tank Baffles Kits

### MicroTrac Sprayer Controls

- Features on the go rate control or manual operation/Automated rate control
- Out of range warning light if applying out of range, high contrast liquid crystal display with easy to see numbers,
- Weather proof cable connectors
- Flow meter, control valve, compensates for ground speed changes, real time clock w/ battery back-up feature, GPS ground speed control.
- Expandable to down load rates to PC or printer for jobs.

Standard 3 lane cover

# Liquid Storage & Transfer/Filling Systems

- Complete turn key systems
- Pre-packaged standard pump kits for multiple sites
- Manual or Automated Filling Systems
- Individual Components
- Facility/Systems design assistance
- Pre – assembled hose kits
- All corrosion resistant plumbing parts

## Meters

## Pumps/Fittings kits

## Tailgate Mount Pre-Wet System

- 2-56 gallon poly tanks / 112 gallons
- Weather proof control box
- 12 volt diaphragm pump
- Pump output motor speed control unit
- Dual spray header
